Well maintained 3 bedroom, 2.5 bath home offers plenty of space and desirable features. This home features a spacious living room/dining area and a large eat-in kitchen with abundance of cabinet space. The unfinished basement provides additional storage or future living space and includes convenient half bath. Numerous updates have been completed, including a roof, gutters & vinyl siding in 2018. The home was rewired approx. 13 years ago. Enjoy the outdoors with the 2 tiered deck overlooking the fenced-in yard, perfect for entertaining! A Standout Feature is the oversized 24 X 30 - 2 car garage built in 2010. The garage offers high ceilings, separate breaker box & plenty of electrical outlets making it ideal for vehicles, hobbies, workshop or extra storage. Nice wide driveway for additional parking. This property offers a great combination of comfortable living space, outdoor enjoyment & excellent garage/storage space. Call today to schedule a tour!!
